

JOURNALISM

Meaning: Journalism is the practice of gathering, assessing, creating, and presenting news and information to inform the public and promote accountability in society.

1. The role of journalism in a democratic society is to inform the public and hold those in power accountable.
2. Investigative journalism often uncovers hidden truths that can lead to significant societal changes.
3. Many young people are increasingly drawn to journalism as a way to express their passion for storytelling and social justice.
4. The rise of digital media has transformed traditional journalism, prompting adaptations in reporting methods and audience engagement.
5. Ethical journalism requires a commitment to accuracy, fairness, and the avoidance of conflicts of interest.
