

JOUSTER

Meaning: A joust is a person who participates in a tournament involving mounted combat, typically by charging at an opponent with a lance.

1. The joust raised his lance, ready to charge at his opponent in the tournament.
2. In medieval times, a joust would often train for years to master the art of mounted combat.
3. The festival drew crowds eager to watch the joust compete for honor and glory.
4. With a resounding clash, the joust successfully unseated his rival from their horse.
5. Dressed in shining armor, the joust epitomized the bravery and chivalry of the era.
