

JUDAIZATION

Meaning: JUDAIZATION: the process of adopting or integrating Jewish customs, beliefs, or practices into a community or culture.

1. Judaism's influence on culture often leads to a process of judaization in various communities.
2. The judaization of certain traditions can spark debates about cultural appropriation.
3. As the diaspora expanded, many Jews experienced a gradual judaization of their practices.
4. Some scholars argue that judaization is a response to the challenges of maintaining Jewish identity.
5. The phenomenon of judaization can be seen in the adoption of Jewish customs by non-Jewish groups.
