

JUDGE-MADE

Meaning: Judge-made refers to laws or legal principles established through judicial decisions and interpretations rather than through legislative enactments.

1. The concept of judge-made law highlights the significant role that judicial interpretations play in shaping legal precedents.
2. Many legal scholars argue that judge-made rules can sometimes fill gaps left by legislative statutes.
3. In cases where statutory provisions are vague, judge-made decisions often provide the necessary clarity.
4. Critics of judge-made law often express concern over the lack of democratic accountability in judicial rulings.
5. Judge-made precedents can evolve over time, reflecting changing societal values and norms.
