

# JUDGER

*Meaning: Judger: a person who forms opinions or makes decisions about others, often without full understanding or consideration of their situations.*

1. A judger often dismisses others without understanding their circumstances.
2. In a competitive environment, being a harsh judger can hinder collaboration.
3. She is known as a fair judger, always considering both sides of an argument.
4. Being a judger can lead to isolation, as people may feel judged and stop engaging.
5. It's important to be aware of your inner judger and practice empathy instead.
