

JUDICABLE

Meaning: Judicable: capable of being judged or decided in a court of law.

1. The case was deemed judicious and therefore judicable in the court of law.
2. Many legal experts argue that certain moral questions are not judicable under current statutes.
3. The judge ruled that the dispute was judicable, allowing it to proceed to trial.
4. In some jurisdictions, issues of public policy are considered non-judicable.
5. The attorney carefully prepared her argument to prove that the matter was indeed judicable.
