

# JUROR

*Meaning: A juror is a member of a jury who is sworn to render a verdict based on the evidence presented in a legal trial.*

1. The juror listened intently to the testimony presented during the trial.
2. After a long deliberation, the juror finally reached a unanimous decision with the rest of the panel.
3. Each juror took their responsibility seriously, knowing the weight of their verdict on the defendant's future.
4. She felt a sense of pride as she served as a juror, fulfilling her civic duty.
5. The judge reminded the jurors to remain impartial and base their decisions solely on the evidence presented.
