

KEELMAN

Meaning: A keelman is a person who operates or navigates a boat, especially in shallow waters or canals, often responsible for guiding and maneuvering cargo vessels.

1. The keelman skillfully navigated the narrow canals, expertly guiding the boat through the winding waterways.
2. In the bustling port, the keelman was known for his expertise in maneuvering heavy loads with precision.
3. As a keelman, he had a deep understanding of the tides and the weather that could affect his journey.
4. The keelman's hard work often went unnoticed, yet he played a crucial role in the transport of goods.
5. With every trip, the keelman built a reputation for reliability and efficiency among the merchants he served.
