

KIRKED

Meaning: KIRKED: (adjective) united or gathered together in a communal or familial setting, often in relation to church or faith-based activities.

1. The family gathered in the cozy room, where they reminisced about the days when they were all kirked together for Sunday dinner.
2. As the church bells rang, the community felt a sense of warmth and togetherness, having been kirked by their shared faith.
3. He felt a rush of nostalgia as he flipped through the photo album, each picture capturing a moment when they were happily kirked in laughter and love.
4. In a small town where everyone knew each other, being kirked meant more than just attending church; it was about belonging.
5. During the holidays, the old traditions brought everyone back to the town, where they would be kirked once again, filling the air with joy and celebration.
