

KIRTLE

Meaning: A kirtle is a long, flowing garment worn by women, often reaching the ground, typically associated with medieval fashion.

1. The woman wore a beautifully embroidered kirtle that flowed elegantly to the ground.
2. In the medieval festival, many participants donned traditional garments, including the classic kirtle.
3. The kirtle was often layered over a chemise, creating a stylish silhouette popular among noblewomen.
4. She admired the way the fabric of the kirtle shimmered in the sunlight as she walked through the market.
5. Historically, the kirtle served as both a dress and an undergarment, showcasing the versatility of women's fashion.
