

KITISH

Meaning: Kitsch refers to art, objects, or design that is considered to be in poor taste due to its overly sentimental or gaudy nature, often appreciated for its nostalgic or superficial appeal.

1. The décor in her apartment was a bit kitsch, filled with gaudy trinkets and vibrant colors.
2. He loved the kitschy charm of the retro diner, complete with neon signs and checkered floors.
3. Her collection of kitsch memorabilia was both amusing and a little overwhelming to guests.
4. Despite its kitschiness, the old movie had a certain nostalgic appeal that drew in audiences year after year.
5. The festival celebrated all things kitsch, showcasing art that embraced the playful and the absurd.
