

# KNIGHTLESS

*Meaning: Knightless refers to a state or condition lacking knights, particularly in contexts such as chess or fantasy, implying a deficiency in complexity or valor.*

1. The chessboard felt strangely vacant, knightless and devoid of complexity.
2. In a knightless fantasy realm, the fate of kingdoms rested solely on the shoulders of the remaining warriors.
3. Her dreams of adventure seemed knightless, lacking the boldness of a chivalrous hero.
4. Without a knight, the game took on a new level of strategy, challenging players in unexpected ways.
5. The knightless castle stood as a solemn reminder of battles once fought and heroes long gone.
