

LALLATION

Meaning: Lallation is the playful, often nonsensical babbling or speech of a young child.

1. The child's lallation was charming, as she babbled happily in her own made-up language.
2. In the quiet of the library, the lallation of a toddler echoed softly, drawing smiles from the patrons.
3. Her lallation made it clear that she was enjoying the playful interaction with her friends.
4. The therapist noted the child's lallation as a positive sign of early language development.
5. During the family gathering, the baby's lallation added a joyful soundtrack to the celebrations.
