

# LAPUTAN

*Meaning: Laputan refers to something characterized by fanciful, impractical ideas or a whimsical, utopian vision, often detached from reality, inspired by the fictional flying island of Laputa in Jonathan Swift's "Gulliver's Travels."*

1. The story's whimsical elements are reminiscent of a Laputan society, floating high above the mundane world.
2. He described his grand vision as a Laputan project, filled with innovative ideas that seemed almost fantastical.
3. In the novel, the Laputan inhabitants are portrayed as both brilliant and absurd, highlighting the folly of intellectual pride.
4. The architecture of the museum was so extravagant that it felt like stepping into a Laputan dream.
5. Her theories often felt Laputan, soaring above practical realities in pursuit of idealistic goals.
