

LEAFAGE

Meaning: Leafage refers to the collective foliage or leaves of plants, particularly in relation to their appearance and color.

1. The vibrant leafage in the forest creates a stunning backdrop for a peaceful hike.
2. During autumn, the leafage transforms into a breathtaking palette of oranges and reds.
3. Gardeners often focus on maintaining healthy leafage to ensure their plants thrive.
4. The dense leafage overhead provided a cool refuge from the summer sun.
5. In spring, the fresh leafage symbolizes new beginnings and the renewal of life.
