

LEAVELESS

Meaning: Leave-less: adjective describing a state of being without leaves, often referring to trees or plants, especially during winter or after seasonal changes.

1. The leave-less branches of the tree stood stark against the winter sky.
2. In the autumn, the leave-less garden revealed the intricate patterns of its pathways.
3. The leave-less shrubs provided a stark contrast to the vibrant flowers nearby.
4. Despite being leave-less, the old oak tree still held a certain majesty in its silhouette.
5. The landscape seemed hauntingly beautiful with its leave-less trees in the fading light.
