

LEGATO

Meaning: Legato is a musical term indicating that notes are played or sung smoothly and connectedly, without any noticeable breaks between them.

1. The pianist played the piece with a smooth legato, allowing each note to flow seamlessly into the next.
2. In the orchestra, the strings performed the legato passages beautifully, creating a lush, cohesive sound.
3. When practicing legato on the violin, it's essential to focus on bow control and finger placement.
4. The composer indicated legato in the sheet music to convey a sense of elegance and continuity.
5. Her voice soared through the aria, characterized by its lyrical legato that captivated the audience.
