LEGULEIAN

Meaning: Leguleian: characterized by an excessive focus on legal technicalities and formalities rather than the substantive issues at hand.

1. The leguleian arguments presented in court failed to convince the jury of his innocence.
2. Her leguleian approach to the case focused more on technicalities than on the actual facts.
3. In a leguleian manner, he dissected the contract to find loopholes that favored his client.
4. Critics often dismissed his leguleian style as overly pedantic and lacking in common sense.
5. The leguleian debate among the lawyers highlighted the complexities of the legal system.
