

LESSOR

Meaning: Lessor: a person or entity that leases or rents out property or equipment to another party.

1. The lessor agreed to extend the lease for another year.
2. Before signing the contract, the lessee carefully reviewed the terms set by the lessor.
3. In the event of a dispute, the lessor and lessee must follow the arbitration process outlined in the agreement.
4. The lessor is responsible for maintaining the property in good condition throughout the lease term.
5. Many lessors now offer flexible leasing options to attract more tenants.
