

LEVELISM

Meaning: Levelism is the discrimination or bias based on hierarchical status or rank within an organization, often leading to barriers in collaboration and undervaluing individual contributions.

1. Levelism can create barriers to collaboration in diverse workplaces.
2. Critics argue that levelism undermines the value of individual contributions regardless of rank.
3. In educational settings, levelism can discourage creativity and open dialogue among students.
4. The rise of remote work has intensified discussions around levelism and its impact on team dynamics.
5. Addressing levelism is essential for fostering an inclusive culture where everyone feels valued.
