

LIMITARIAN

Meaning: Limitarians refer to individuals or proponents of a philosophy advocating for the equitable distribution and consumption of resources within sustainable limits, as opposed to promoting unlimited growth.

1. The concept of limitarians challenges traditional views on resource distribution.
2. In a limititarian society, the emphasis is placed on equitable consumption rather than unlimited growth.
3. Many philosophers debate whether limitarians can effectively balance human needs with environmental sustainability.
4. The rise of limitarians reflects a growing concern over the planet's finite resources.
5. Limitarians advocate for policies that prioritize limits on production and consumption to protect future generations.
