

LIMPIDITY

Meaning: Limpidity refers to the quality of being clear and transparent, both in physical clarity, like that of water, and in the clarity of expression or thought.

1. The limpidity of the mountain lake made it a perfect spot for reflection.
2. Her limpidity in expressing her thoughts captivated everyone in the room.
3. The artist aimed to capture the limpidity of the morning sky in his painting.
4. In the limpidity of the stream, the vibrant colors of the pebbles were clearly visible.
5. His limpidity of purpose inspired his team to work with renewed enthusiasm.
