

# LIMPIDNESS

*Meaning: Limpidness refers to the quality of being clear and transparent, both in terms of physical clarity, like water, and in the clarity of expression or writing.*

1. The limpidness of the lake's water allowed us to see the colorful fish swimming below the surface.
2. Her writing was praised for its limpidness, conveying complex ideas with clarity and elegance.
3. The limpidness of the morning air made the mountain vista appear even more breathtaking.
4. In his speech, he sought to achieve a limpidness that would resonate with both experts and laypeople alike.
5. The artist captured the limpidness of the sky at dawn, using soft colors that blended seamlessly together.
