

# LINNET

*Meaning: Linnet: a small finch with a brownish or grayish plumage and a sweet song, commonly found in Europe and often seen in gardens and fields.*

1. The linnet perched on the branch, singing sweetly in the morning light.
2. As spring approached, the garden became a haven for linnets searching for food.
3. Artists often depict the linnet as a symbol of freedom and joy in their paintings.
4. I spotted a flock of linnets flitting among the wildflowers during my hike.
5. The linnet's vibrant plumage adds a splash of color to the otherwise drab landscape.
