

LINT

Meaning: Lint is small, loose fibers or fluff that accumulate on clothing and surfaces, often resulting from the wear and washing of fabrics.

1. The old sweater was covered in lint that clung stubbornly to the fabric.
2. After doing laundry, I always find bits of lint scattered on the floor.
3. She used a lint roller to remove the pesky fibers from her black dress.
4. The dryer vent was clogged with lint, posing a potential fire hazard.
5. He noticed a piece of lint stuck to the sleeve of his shirt just before the meeting.
