

LIPOGRAM

Meaning: A lipogram is a piece of writing that deliberately avoids using a specific letter.

1. A lipogram is a form of writing in which a particular letter is intentionally omitted from the text.
2. The author's latest novel is a remarkable lipogram that excludes the letter 'e' throughout its entirety.
3. Creating a lipogram can be a challenging yet rewarding exercise for aspiring writers.
4. The constraints of a lipogram often inspire creativity and innovative wordplay.
5. Many famous works, such as Georges Perec's "A Void," are celebrated examples of the lipogram technique.
