

# LLANO

*Meaning: Llano: a wide, grassy plain or lowland, often characterized by its flat terrain and natural vegetation.*

1. The vast llano stretched across the horizon, dotted with wildflowers.
2. During our hike, we stumbled upon a hidden llano that was teeming with wildlife.
3. The llano's flat terrain made it an ideal spot for grazing cattle.
4. As the sun set over the llano, the sky transformed into a palette of vibrant colors.
5. Explorers often documented their travels through the expansive llano regions of South America.
