

LOCHAN

Meaning: Lochan: a small, often tranquil lake or pond, typically found in a natural setting.

1. The serene lochan reflected the surrounding mountains like a mirror.
2. Children played joyfully by the edge of the lochan, their laughter echoing in the stillness.
3. We stumbled upon a hidden lochan during our hike, surrounded by vibrant wildflowers.
4. The lochan was teeming with life, as ducks and dragonflies danced across its surface.
5. As the sun set, the lochan glowed with hues of orange and pink, creating a breathtaking view.
