

LOGGIA

Meaning: A loggia is a covered outdoor gallery or corridor that is open to the air on one or more sides, often found in gardens or as part of a building's architecture.

1. The ancient villa featured a stunning loggia that overlooked the lush gardens.
2. During the summer months, we often enjoyed our afternoon tea in the cool shade of the loggia.
3. Artists frequently gather in the loggia to seek inspiration from the surrounding landscape.
4. The loggia was adorned with intricate mosaics that reflected the building's rich history.
5. She loved to read her favorite novels while lounging in the comfortable chairs of the loggia.
