

LONGBOAT

Meaning: A longboat is a large, sturdy boat designed for ocean travel, often used historically by seafaring cultures like the Vikings.

1. The crew skillfully maneuvered the longboat through the rough seas.
2. In ancient times, the Vikings used a longboat for their voyages across the ocean.
3. The longboat was large enough to carry both supplies and a small group of travelers.
4. After the storm passed, they found their longboat stranded on the beach.
5. As the sun set, the longboat glided silently across the calm lake.
