

# LOOM-GALE

*Meaning: Loom-gale: a powerful, swirling wind or gust associated with an approaching storm, capable of bending trees and creating turbulent air movements.*

1. The loom-gale swept through the valley, bending trees and sending leaves spiraling into the air.
2. As the storm approached, the loom-gale roared ominously, signaling the onset of fierce weather.
3. With each passing moment, the loom-gale intensified, its howling winds drowning out all other sounds.
4. Farmers hurried to secure their crops as the loom-gale threatened to wreak havoc on their fields.
5. In the aftermath of the loom-gale, the landscape was transformed, leaving a trail of debris and destruction.
