

LOURI

Meaning: Lourie: a type of bird, specifically a species of turaco, known for its vibrant plumage and distinctive calls, often found in African forests.

1. The artist's latest painting captured the essence of a lourie perched gracefully on a branch.
2. As the lourie called out from the treetops, its distinctive voice echoed through the forest.
3. In some cultures, the lourie is considered a symbol of good luck and prosperity.
4. Birdwatchers flock to the area hoping to catch a glimpse of the elusive lourie in its natural habitat.
5. The lourie's vibrant feathers shimmered in the sunlight as it flitted between the trees.
