

LUSTRATION

Meaning: Lustration is the process of purging or removing individuals from public office or positions of power due to their involvement in past regimes, often in the context of political reform and addressing injustices.

1. Lustration is often seen as a necessary step in the process of political reform.
2. The new government implemented lustration policies to address past injustices.
3. Critics argue that lustration can lead to divisions within society rather than healing.
4. In some countries, lustration has played a crucial role in transitional justice.
5. The concept of lustration raises complex questions about accountability and forgiveness.
