

LYCHEE

Meaning: Lychee is a tropical fruit with a rough red skin and sweet, fragrant white flesh, commonly used in desserts and beverages.

1. The lychee's sweet and fragrant flesh makes it a popular choice for desserts.
2. During the summer, I love to enjoy a chilled lychee drink by the pool.
3. In traditional Chinese medicine, lychee is believed to have various health benefits.
4. The exotic flavor of lychee pairs wonderfully with coconut in tropical smoothies.
5. At the market, I found fresh lychees that were perfectly ripe and ready to eat.
