

LYNCHER

Meaning: A lyncher is a person who illegally executes someone, typically by hanging, often motivated by racial hatred or mob mentality, and usually acts outside the law.

1. The lyncher's actions were condemned by the entire community as an act of barbarism.
2. In historical accounts, the lyncher often operated in secrecy, instilling fear among marginalized groups.
3. Justice was never served for the victims, as the identities of the lyncher remained hidden for decades.
4. The documentary delved into the psyche of the lyncher, trying to understand the motivations behind such violence.
5. Many activists today strive to ensure that no lyncher escapes accountability for their heinous crimes.
