

MAGNIFICAT

Meaning: Magnificat: a canticle or hymn of praise, specifically the biblical song of Mary expressing joy and gratitude to God, often used in Christian worship.

1. The choir beautifully performed the Magnificat during the evening service.
2. In her prayer, she echoed the themes of the Magnificat, emphasizing hope and gratitude.
3. The artist's depiction of the Magnificat captured the essence of joy and reverence.
4. During Advent, many congregations sing the Magnificat as a celebration of Mary's faith.
5. The Magnificat is often used in liturgical settings to reflect on themes of social justice.
