

# MAINMAST

*Meaning: Mainmast: the tallest mast on a sailing vessel, typically supporting the primary sails.*

1. The mainmast of the ship rose majestically against the sunset sky.
2. Sailors worked diligently to repair the frayed sails on the mainmast.
3. During the storm, the mainmast swayed precariously but remained intact.
4. The captain pointed to the mainmast, indicating where the new flag would be hoisted.
5. In ancient vessels, the height of the mainmast was crucial for effective sailing.
