

# MAKE-BELIEF

*Meaning: Make-belief refers to a form of imaginative play or fantasy where individuals create and engage in scenarios that are not real, often filled with whimsical elements and adventures.*

1. The child's world was filled with make-belief adventures, where dragons roamed and fairies danced.
2. In the realm of make-belief, anything is possible, allowing imaginations to soar beyond reality.
3. She often escaped into make-belief, crafting elaborate stories that captivated her friends.
4. His make-belief games allowed him to explore complex emotions in a safe environment.
5. The novel beautifully weaves together elements of reality and make-belief, creating a rich tapestry of storytelling.
