

MANGY

Meaning: Mangy refers to having a shabby or unkempt appearance, often due to neglect or poor condition, especially in animals.

1. The stray dog looked mangy and in desperate need of a bath.
2. Despite its mangy appearance, the cat had a surprisingly affectionate nature.
3. The old sofa was covered in a mangy fabric that had seen better days.
4. He wore a mangy coat that seemed to have been stitched together from various scraps.
5. The once-vibrant mural now appeared faded and mangy after years of neglect.
