

MANSE

Meaning: Manse: a large house, typically the residence of a minister or clergyman, often associated with a church.

1. The old manse stood proudly at the edge of the village, a testament to centuries of history.
2. During the annual charity event, the congregation opened the doors of the manse to showcase its beautiful gardens.
3. She felt a deep sense of nostalgia as she walked through the manse where she had grown up.
4. The manse was not only a home for the pastor but also a gathering place for the community.
5. With its high ceilings and ornate architecture, the manse was a striking example of Victorian design.
