

MARINADE

Meaning: Marinade is a seasoned liquid mixture used to soak food, typically meat, to enhance its flavor and tenderness before cooking.

1. The chef prepared a flavorful marinade using garlic, herbs, and olive oil.
2. For the best results, let the chicken soak in the marinade overnight.
3. A good marinade can enhance the taste of vegetables on the grill.
4. She experimented with a spicy marinade that included chipotle and lime.
5. Marinades not only add flavor but also help tenderize tougher cuts of meat.
