

MASHER

Meaning: Masher: a kitchen utensil used for crushing food, particularly cooked potatoes, or a person who makes unwanted advances toward others in a flirtatious manner.

1. The chef reached for the masher to prepare the creamy mashed potatoes.
2. After the party, he realized his ex-girlfriend was dating a notorious masher.
3. Using a masher instead of a mixer gives the potatoes a rustic texture.
4. In the movie, the character was a classic masher who charmed everyone with his smooth talk.
5. She prefers using a wooden masher for her homemade guacamole for a more authentic taste.
