

MATRIARCHATE

Meaning: Matriarchate refers to a social system in which women, particularly mothers or elder females, hold primary authority and leadership roles.

1. In some cultures, the matriarchate is a powerful social structure where women hold the primary authority.
2. The village thrived under a matriarchate, with elder women guiding decisions and traditions.
3. Historically, matriarchate societies have often been characterized by strong female leadership and communal living.
4. Anthropologists study the remnants of matriarchate communities to understand gender roles in ancient civilizations.
5. The transition from a patriarchal to a matriarchate system can significantly alter family dynamics and societal norms.
