

MATRONYMIC

Meaning: Matronymic refers to a name derived from the name of one's mother, indicating maternal lineage.

1. The concept of matronymic naming is less common than its patronymic counterpart.
2. In some cultures, a matronymic surname reflects the mother's lineage rather than the father's.
3. She decided to use a matronymic for her children to honor her family's heritage.
4. Matronymic traditions can provide insight into the social structures of a society.
5. Exploring matronymic patterns can reveal interesting trends in gender and family roles.
