

# MESDAMES

*Meaning: 'Mesdames' is a French term used to address or refer to women, equivalent to "ladies" in English.*

1. Mesdames, I would like to extend a warm welcome to all of you attending tonight's gala.
2. In the quaint café, the barista greeted the customers with a courteous "Mesdames and messieurs."
3. The art exhibit was a stunning display, appealing greatly to the mesdames who frequented the gallery.
4. During the formal dinner, the host raised his glass and addressed the mesdames with great respect.
5. Mesdames, your presence adds elegance to this evening's festivities.
