

MEWLER

Meaning: Mewler (noun): A creature, typically a cat or kitten, that makes a loud, continuous cry or meow.

1. The mewler outside my window kept me awake all night with its incessant cries.
2. As the kitten grew older, its mewler became more pronounced and demanding.
3. I could hear the faint mewler of the lost cat echoing through the alley.
4. The sound of a mewler often signals that the mother cat is nearby looking for her young.
5. In the quiet of the evening, the only noise was the soft mewler of a feline searching for attention.
