

MEWS

Meaning: Mews: a row or courtyard of stables or converted buildings, often used as residences, typically located behind a street.

1. The old mews behind the main street had been transformed into charming apartments.
2. As we walked through the mews, we admired the quaint architecture and peaceful atmosphere.
3. The artist lived in a converted mews, where the sunlight poured in through large windows.
4. After years of neglect, the mews was finally restored, becoming a vibrant community space.
5. Children played joyfully in the mews, their laughter echoing off the cobblestone paths.
