

MILITARIST

Meaning: Militarist: a person or ideology that advocates for a strong military presence and prioritizes military solutions over diplomatic or social approaches.

1. The rise of the militarist ideology has sparked intense debates about national security and civil liberties.
2. Many critics argue that a militarist approach can lead to an overemphasis on defense spending at the expense of social programs.
3. In the documentary, the director explores the impact of militarist policies on civilian life in conflict zones.
4. Historically, some countries have shifted towards militarist governments during times of economic crisis or political instability.
5. The author's novel delves into the psyche of a young militarist grappling with the moral implications of war.
