

MILLENNIUM

Meaning: Millennium: a period of one thousand years, often used to refer to the transition from one thousand-year mark to another, particularly the year 2000.

1. The turn of the millennium was celebrated with grand festivities around the world.
2. Many people believe that the new millennium brings with it a sense of hope and renewal.
3. The millennium bug caused widespread concern in the late 1990s as technology was not prepared for the year 2000.
4. As we reflect on the past millennium, it's clear that technology has advanced at an unprecedented pace.
5. The concept of a millennium often inspires artists and writers to imagine the future of humanity.
