MISANTHROPOS

Meaning: Misanthropos: a person who dislikes or distrusts humankind and tends to withdraw from social interaction.

1. The author's portrayal of the protagonist as a misanthropos added a layer of complexity to the narrative.

2. In his later years, he became a misanthropos, retreating from society and immersing himself in solitude.

3. Her cynical outlook on humanity often led her friends to jokingly label her a misanthropos.

4. Despite being labeled a misanthropos, he found joy in the company of animals rather than people.

5. Philosophers have long debated whether misanthropos are simply disillusioned idealists or genuinely indifferent to human nature.
